**All participants made
good presentations
about the conditions for
heritage tram operations
in their countries.**

**Now, we are
suggesting the
following aim and
objectives for the
future work:**

Aim for TOG:

**To create a forum for
sharing best practise by
heritage tram operators &
tram museums.**

Objectives for TOG:

1.

**To support initiatives to
broaden the base of
TOG participants**

Objectives for TOG:

2.

**To collect and collate
information about heritage
tram operators**

Objectives for TOG:

3.

To show by worked example the contribution of heritage tram to the local cultural and economic activities.

Objectives for TOG:

4.

To support business activities that diversify the appeal of trams to different demographic groups, especially young people.

Objectives for TOG:

5.

To support a programme of adoption of best practise by heritage tram operators & tram museums.

***Thank you for
your attention
and support!***
