

## **Welcome to General Meeting 3-5 November in Frankfurt.**

All the meetings will be held in English. We are planning the event on Intercity hotel at the airport. We extend a special welcome to the chairmen who are with our members and will again take up the chairmen's meeting on Saturday.

We will arrange hybrid opportunities but would like to emphasize that this is first and foremost a physical meeting. Therefore, it cannot be counted on that those of you who are not present will have the same opportunities to attend the meeting. We will not require all those in the room to be online on their computer precisely because it is primarily a physical gathering.

There is an opportunity to connect on Saturday at lunch for those who only wish to attend the General meeting.
